JANUARY/FEBRUARY 2021

It's 2021! Happy New Year!

From SG&AC Board of Directors

Thank you to everyone for your patience and understanding as we worked through the restrictions and changes at the Garden Center last year. We definitely are looking forward to 2021 in the hope it brings back our times together. But as of yet, the pandemic still is keeping us apart.

There are no weekend shows/sales in January or February. Upcoming scheduled club meetings are shown on the online Calendar, but please check with that club before heading to the Center as there are still some last-minute cancellations. If you're interested in a particular club, please contact that club as many clubs are holding Zoom meetings to have time together.

The Spring Sale scheduled for March 13-14 at the Center is also tentative at this point. We will continue to follow the guidelines and want all clubs' input in planning this event. Clubs are encouraged to continue to participate in the monthly Board meetings so we can work and plan for 2021.

As voted in at December's Board meeting, Jan Goehring is now Vice President and Wendy Corby is the Treasurer. Wendy is also the Corresponding Secretary (Newsletter Editor), and should not hold two positions on the Board. So, the Board is seeking volunteers for Corresponding Secretary and an open Director vacancy. If you can join the Board (see list on next page), please let us know by emailing us at ShepardCenter@gmail.com.

Wishing everyone a very Happy New Year!

Hello everyone.

2020 is behind us and 2021 is here. We continue to work together to make the Center an ideal place for our clubs. Let's try to remember some good events of 2020: The Center has a new property manager and a promise offering that things will be managed better. This process of change has been stressful for some of us, but we are moving forward.

The Friends has received a few donations during this time. I want to thank those who continue to support the Center.

Warmly,
MJ Kelly, president of the
Friends of the Sacramento
Garden and Arts Center
